## Jeffrey Beers International

**project** Renaissance New York Midtown Hotel.  
**standout** Refined walnut millwork and raw concrete yield a high-low aesthetic in keeping with witty artwork featuring pins, collar stays, and other fashion items.

*"We were born royal. Nowadays, royalty comes from what you do."*  
*your competition.*

*"Clear thinking at the wrong moment  
can stile creativity."*

*"The great thing about fashion  
is that it always looks forward."*

ERIC LAIGNEL

"We were jazzed by the energy of the city, especially its industrial loft spaces"
